KENTWOOD HIGH SCHOOL

GRAND RAPIDS, MICHIGAN

I n D e d i c a t i o n

During the past three years there are very few of us who haven't been affected by this man. He may have taught Physical Education to us, or coached us in football or track; or we may have attended one of the athletic contests he is responsible for arranging. Yes, in one way or another nearly all of us have had our lives affected by Mr. Patterson.

To you, Mr. Patterson, for all the things you have done for us and especially for the terrific example of living you've set for us, we the staff of the 1963 SKYLINER dedicate this yearbook.

To highlight a rather unprosperous season was the first basketball victory ever registered by a Kentwood team over Kelloggsville. Near the end of the season the team almost pulled off the upset of the year in a one point loss to Rogers, the tenth ranked team in the state. Don Genson and Craig Avery were elected co-captains for the '62-'63 season. Genson set a new school scoring record against Middleville with 30. He also led the O.K. conference in scoring with a 19.8 points a game average.

Kentwood's distance men getting in shape on our track - J. Miars, R. See, Tim Knauff, P. Bisbee, J. Bendle.

The lack of a track handicapped our runners this year. We had good facilities for practicing the field events and because of this the track team never once was behind at the end of the field events. This was the first time in Kentwood's years that no one qualified to go to the state finals. Ted Bohley came closest placing fourth in the Class "B" Regional at Lee Field.

Gerry to Jerry: the nucleus of our relay teams. G. Morgan, J. Sheldon.

Our Representatives to the O.K.-Grand Valley Meet

At the end of the year the All-Stars from both leagues met at Wyoming Park's track. Both Don and Ted placed in this meet. Our Mile-Relay team also qualified but failed to place.

GENSON SOARS TO A NEW CONFERENCE MARK

This year Don Genson broke the O.K. Conference broad jump record with a leap of 20'10 1/2". He also placed fifth in the Regional. Against the Grand Valley stars, Genson won this event with a leap of 20'6 1/4". He also ran the high hurdles but failed to place.

Besides being record breakers these boys were elected by their teammates to be Co-Captains for the year.

BOHLEY VAULTS UPWARD

During the dual meets Ted became the only pole vaulter to beat Barry Barr. Ted turned the trick in our Rogers meet which gave us vitally needed points to eke out a 55-54 victory. Vaulting in the All-Star meet Bohley leaped 11'6" and got fourth place. In total points for the year Bohley finished second to Genson.

Coach Henrickson led our junior varsity to a 4 win 5 loss season. Of those five wins Bruce Hoorn won four with his strong left arm. Brian was the leading hitter and rbi producer and both were called up to the varsity in time to win the Lee game with some timely hitting in the last inning.

School Spirit was built by

holding Pep Assemblies,

students yelling at games,
and the playing of the Pep Band, all of which led to our winning the
Sportsmanship Trophy.

The 1963 Skyliner staff would like to take this opportunity to thank all those who have helped make this book possible.

We have enjoyed producing this book, even though at times it has caused us to worry, especially about whether we would ever get it to the publishers. Somehow though we did get it there and we hope that you have enjoyed the finished product. In it we have recorded as much of the 1963 school year as possible, so that whenever you look at this book you will remember this year at Kentwood where we had, among other things, our first homecoming and first graduation. May this book always bring you pleasant memories of your days at Kentwood High School.
